Dear South Hill Elementary Families,

This morning we learned of a potential threat to the safety of our students and staff. Through our investigation, in collaboration with law enforcement, we found the threat to be illegitimate. Though the threat was found to be fictitious, as a precaution, Mecklenburg County Sheriff Deputies and South Hill Police Officers were present and visible on campus throughout the day. Teachers and staff were also directed to refrain from outside activities and keep all doors locked. With the assurance of safety from law enforcement, students were allowed to participate in all scheduled field trips.

We always take concerns of this nature seriously and pursue every means to ensure that our community and school are safe and secure. The safety and security of our students and staff are our main priority. As we move forward, we would like to encourage the continued collaboration between our school, local law enforcement, and our community.

Sincerely,

Michele G. Icenhour
